

'Can Hedgehog Class help improve the local area?'

The team bubble...	Class teacher - Ms Rowland Assistant teacher - Mrs Revitt Assistant teacher - Miss Charlton PPA cover - Mrs Waters	Diary Dates
Timings of the day	Start time 8.50am Home time 2.50pm It is very important that you drop off and collect your child on time so we can limit contact between class bubbles. When waiting on the yard please stand with your child on the lines. Children must not play on the yard with other children.	Return to school - Monday 7th June Week beginning Monday 14th June - My Money Week
Things to remember...	Reading books will be sent home on a Tuesday and Friday. Please make sure you bring your reading folder to school on those days so staff can change your child's books. Please remember to bring a named water bottle to school everyday. Please don't bring any toys or pencil cases into school. As the weather is getting hot it is important that children wear sun cream and bring a hat.	Week beginning Monday 21st June - Phonics assessment week year 1 and year 2
P.E. day - Thursday	Please remember to come to school wearing your PE kit on this day. Named sand shoes/trainers, black shorts, white T-shirt and tracksuit bottoms and hoodie for outdoor sessions and colder days. No jewellery to be worn on PE day this includes stud earrings.	Friday 16th July - Finish for summer holidays
Ready safe respectful	We will be continuing our school rules and behaviour system which focuses around the three words 'Ready' 'Safe' 'Respectful'. Children will continue to use the traffic lights in class and conversations around behaviour will focus on our 3 words and the zones of regulation bottles. Children who continue to display unsafe or disrespectful behaviour will be sent to reflection with Miss Girvan or Mrs Lilico and a slip sent home to parents/Carers.	
Our project	This term we will be learning about our local area and looking at ways in which we could make possible improvements. We will learn about the four countries that make up the UK their capital cities and how far away we live from these places. In literacy we will be covering both fiction and non-fiction paying close attention to journey tales, defeating the monster tales and instructions. In Maths we will be working on numbers to 100, continuing our work on addition and subtraction and starting to learn about multiplication and division. In Science we will be learning about plants and different animals including humans. We will be exploring what plants need and how some plants need different things to others as well as looking into how we can keep our bodies healthy and why it is important.	

How can we help you...	Due to covid 19 restrictions we have to limit face to face contact between staff and parents. If you have any problems or concerns please do not hesitate to email me (claire.rowland@ntlp.org.uk) or call the school office on 0191 222 0259 to book a telephone conversation.
Home learning grids	We will be continuing our home learning on SeeSaw using the home learning grids. Please log into SeeSaw to see your child's homework. If you require a paper copy please let staff know.
How to help your child...	Please listen to your child read, practise spellings and number bonds and support with project home work.
