Statement of intent

At **Grasmere Academy and Stephenson Memorial**, we value pupils' education and aim to provide a broad and balanced curriculum that is accessible to all. We do not tolerate discrimination of any kind and our curriculum celebrates the diverse nature of our society, enabling pupils to embrace the world around them - encouraging adherence with the fundamental British values. It also promotes the spiritual, moral, social, cultural, mental and physical development of pupils at our school and of society.

This policy outlines our dedication to establishing a well-rounded and robust curriculum, as well as the provisions surrounding its creation.

1. Curriculum intent

Pupils' learning and development is at the heart of our school's curriculum; it is broad and balanced and equips pupils with the skills necessary to succeed in life after school.

This curriculum intent statement outlines how the school has created the curriculum and the benefits it will bring to pupils' learning and self-improvement.

Curriculum intent

At **Grasmere and Stephenson Memorial**, we have designed our curriculum with pupils' learning at the centre. We recognise that a curriculum has to be broad, balanced and offer pupils opportunities to grow as individuals as well as learners. Our school values the input of its pupils, parents and the local community with regards to the planning and delivery of the curriculum. We believe pupils get a well-rounded education if everyone is involved in shaping it.

We aim to ensure pupils enjoy learning and feel prepared for life after school. We also intend to offer our pupils new and exciting experiences through extra-curricular activities that are designed to build resilience, confidence and self-esteem.

Classroom-based learning: Accessing different learning resources and equipment to broaden pupils' knowledge, and making cross-curricular links through a Project Based Learning approach, so that pupils can draw upon knowledge from different subjects and understand how each key piece of learning plays a part in everyday life. Classroom teaching also includes one-to-one and small group tuition for pupils who require additional support.

A full list of the subjects available to our pupils can be found in section 6 of this policy.

Extra-curricular activities: We provide a variety of extra-curricular activities for pupils that enhance their learning experience, form personal connections with their peers, and teach skills essential for life after school.
